John,

I wanted to talk to you about the happiest place on earth Dog Valley. We got a request from the operator to increase the acreage from 3 to 4 acres.

Increase in bond would be \$5,200.

Does SITLA concur with the bond adjustment?

Wayne,

SITLA happily consents to the acreage increase and the increased bond amount for the Dog Valley Humic Shale Mine, mineral lease ML 51870. Thank you.
